### **Social media apps**

We have received communication from the local authority advising parents to be generally aware around risky behaviours and unsafe messages on 'anonymous' social media platforms/apps.  If you wish to know more the authority recommend this website :
https://www.getsafeonline.org/safeguarding-children/is-your-child-using-these-apps/
The link below  is a really good website hosted by Vodaphone around digital parenting issues.

Vodaphone also publish a hard copy version of this magazine called Digital Parenting which has relay useful information for parents who may not be as technologically minded as our pupils are.
