County Urdd Football Finals
By virtue of winning the area competition in the autumn term the girls school football team played in the county finals in April against 5 other area winners. The girls found the opposition very tough but they did manage 2 draws – one against Narberth the eventual county champions.

Staffing news
I am very pleased to inform you that the governors have recently re-appointed Mrs. Vicki Brace to the school teaching staff. Mrs. Brace will begin her second spell with us this September. Further news about staffing for the next academic year will follow shortly.

Sun Safety
As we are having a welcome spell of nice weather please can I remind you to ensure your child comes to school well protected from the sun, ideally sun cream applied before school, a sun hat, sun cream & if necessary a long sleeve t shirt.

Duck Race
The annual Roch duck race takes place on the forthcoming bank holiday Sunday – the organisers are very kindly donating some of the profits to the school to help with our funding for a new trim trail – it would therefore be great if as many parents as possible attended this event if they are able.
County Urdd Rugby Tournament
The school rugby team (below) recently participated in the Urdd County Rugby Tournament. They were put in a very tough group losing to Gelli Aur and Gelliswick (two very large schools). They then beat St. Aiden’s school 5 tries to 4 and in their final game just lost out to Bro Ingli school 6 tries to 5. The team would like to thank Mr. James Harper and especially Mrs. Lucy Peach for their hard work helping them prepare for the competition.
