

1. Go to the HWB website:

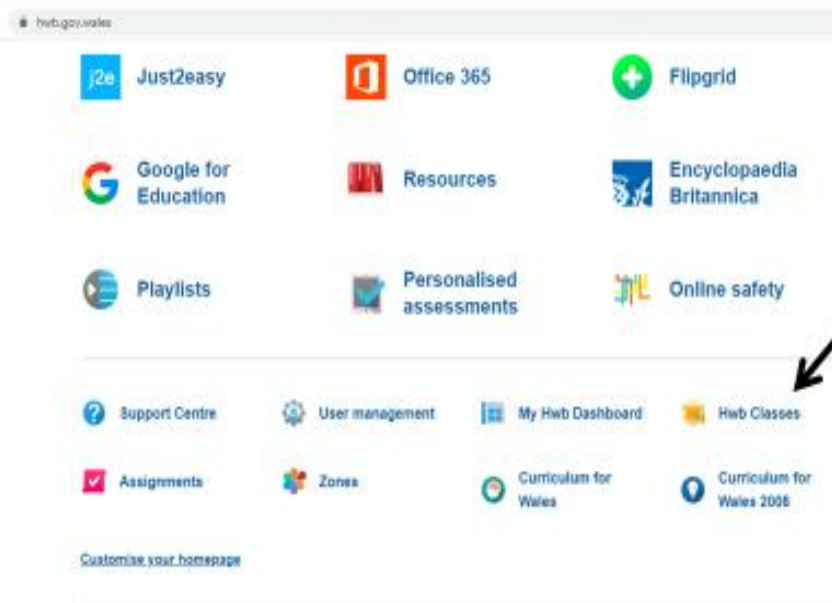

<https://hwb.gov.wales/>

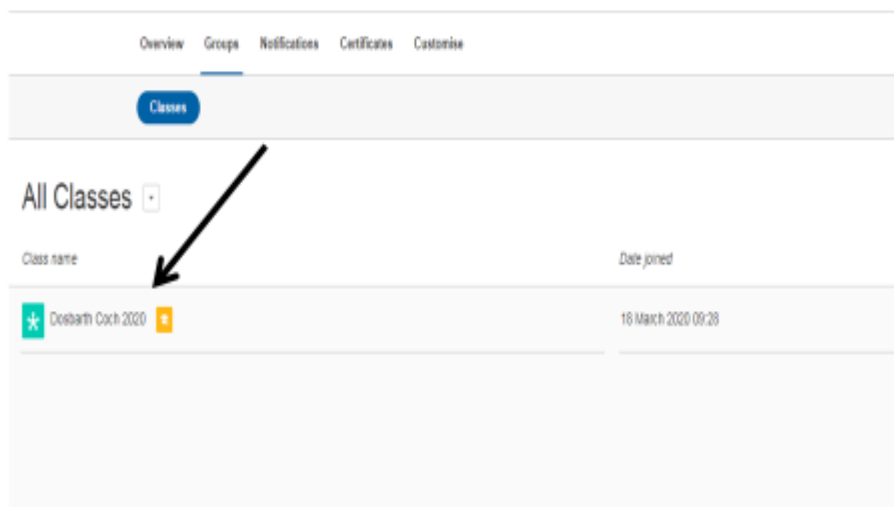

2. Login to HWB using your child's login details.

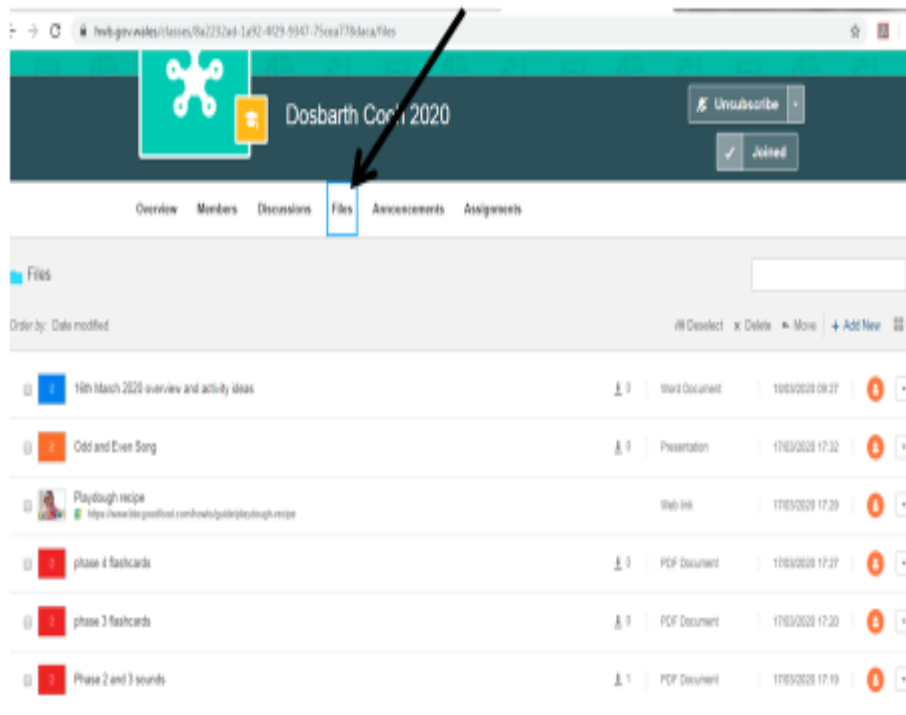

3. Once logged in, scroll down until you can see the 'HWB Classes' icon. Click on this.

4. You should be able to see the class that your child is assigned to. Click on this class.

5. All work that has been uploaded by your child's class teacher will be available in the files section by clicking on 'Files'.

The screenshot shows a Microsoft Teams interface for a class named "Dosbarth Corff 2020". The top navigation bar includes "Overview", "Members", "Discussions", "Files", "Assessments", and "Assignments". The "Files" tab is selected and highlighted with a blue border. A black arrow points from the text above to the "Files" tab. Below the navigation bar, the "Files" section is displayed, showing a list of files and folders. The list is sorted by "Date modified" and includes items such as "16th March 2020 overview and activity ideas", "Odd and Even Song", "Playdough recipe", "phase 4 flashcards", "phase 3 flashcards", and "Phase 2 and 3 sounds". Each item shows its icon, name, type, and modification date.
